

HOTEL INFORMATION for ALEA 2025

May 16-17, 2025 (Friday & Saturday)

NYU School of Law

40 Washington Square South

New York, NY 10012

(All Sessions will be held at the School of Law)

The 2025 Meeting is scheduled for May 16-17th (Friday & Saturday). All sessions will be held at the School of Law, which is located at 40 Washington Square South. We expect the sessions to begin on Friday morning (following a continental breakfast), and end at about 4:00 p.m. (or so) on Saturday.

May is a very busy time of year in NY, and hotel space is at a premium. This means that ALEA has been unable to book a discounted block of rooms at any one designated hotel for the meeting.

However, NYU does have special rate agreements with various hotels across NYC, and we have provided a link (in the box below) listing those hotels:

Important: Because this is the link used by all NYU departments, not all of the rooms are near the Law School, which is located in the Greenwich Village neighborhood. However, if you are not finding anything available in Greenwich Village, some other nearby neighborhoods include SoHo, Tribeca, the Lower East Side, or Chelsea.

Also Important: Please be aware, however, that before booking anything through the NYU link, you should check to see if you can obtain a better rate, either by using a promo code (such as AAA, etc.), or by using one of the online booking sites (Hotels.com, Trivago, Travelocity, Booking.com, etc.) In addition, some people have found a better rate by calling the hotels directly. Finally, please be sure to check the cancellation policies when booking your hotel (through any site):

Here is the link to the discounted NYU Hotels:

<https://www.nyu.edu/admissions/undergraduate-admissions/visit-nyu/hotels-discounts.html>

If you know that you will definitely be attending ALEA's annual meeting this year, we urge you to make your hotel arrangements as soon as possible.

In addition to the hotels listed using the above link, here are some other local area hotels (note that all room rates below are approximate, and may have changed since this printing):
